Armored to Magic

0 Components
Celestial, Earth, Nature
Indessa's Dweomer Barrier
Duration: Day
Type: Personal

"I grant myself Armor to ."

Description: This protection spell bestows upon the caster an automatic Spell Defense which is triggered by the next appropriate effect which hits them, negating the attack or effect.
When triggered, Armored to Magic is expended. This Spell Defense is used after any other automatic Spell Defenses such as Magic Armor, Shield Magic, Elemental Shield, and Poison Shield (see Protection Hierarchy on page 82 of the NERO World Classic Rulebook). The character may choose to use Cloak, Bane, or Dodge before the Armored to Magic, but may not use Resist or Return.
The player must say the out-of-game verbal phrase ' Shield' within three-seconds of being affected. Armored to Magic is school specific with regard to which effects are permitted:
Celestial: Command, I Call Forth, Imprison, Mystic Force, and Summoned Force.
Earth: Chaos, Command, Curse, Earth, Gift, Mystic Force, and Summoned Force.
Touch-Cast spells may be "accepted" through this Spell Defense normally (see Touch-Casting on page 40 of the NERO World Classic Rulebook).

Eldritch Bless

0 Components
Earth
Var's Superior Protection
Duration: Day
Type: Personal

"I grant myself the power of an Eldritch Bless 10."

Description: This protection cantrip grants the caster ten temporary Body Points. The additional Body Points are applied beyond the normal Body Points of the recipient, and are expended before normal Body Points when damage is taken.

This cantrip does not restore lost Body Points. An Eldritch Bless does not protect the recipient from Spell Disruption.

Eldritch Shield

0 Components
Celestial
PanTarsa's Superior Protective Field
Duration: Day
Type: Personal

Fury's Strength

0 Components
Celestial
Kodos'

"I grant myself an Eldritch Shield 10."

Description: This protection cantrip grants the caster ten temporary Armor Points. The additional Armor Points are applied beyond the normal Armor Wear Points of the recipient, and are expended before normal Armor Points when damage is taken. This spell does not restore lost Armor Points. An Eldritch Shield spell will protect the recipient from Spell Disruption if the damage dealt does not exceed the current Armor Points the recipient has.

Reduce Strength of the Bear
Duration: Invoked
Type: Personal

"I grant myself Fury's Strength."

Description: This cantrip grants the caster Superhuman Strength +2 (+1 in each hand) against a single opponent when Invoked (see Superhuman Strength on page 84 of the NERO World Classic Rulebook for how this ability works). The caster may also Invoke the cantrip to Rip from a Pin or Bind effect (see the Racial Ability Rip from Binding on page 24 of the NERO World Classic Rulebook).
